**“Our uniforms are what makes them teammates,
YOU are what makes them a TEAM!”**

- GOAT Team Sports

“I cannot say enough about the customer service that I have received from Kevin. He always puts his customer’s needs first. Last season we had a difficult time obtaining the tennis uniform my high school team had chosen. Kevin tried his best to accommodate, but it was a supply issue. He made a new uniform suggestion and my girls loved it more than their original choice. We could not get over all the compliments we received. You can’t go wrong working with Kevin and GOAT Team Sports. He’s definitely the right choice. 10/10!!”

- **Gina Dell** Head Coach, Gainesville High School Girl’s Tennis
